

**Børsesjø
naturreservat**

Regler for naturreservatet

Rules for Børsesjø Nature Reserve

Fuglene trenger ro til å finne mat og fostre opp unger. Innenfor reservatet skal de ikke forstyrres.

The birds need a stress-free environment in which to feed and raise their young. Within the reserve they are not to be disturbed.

All ferdsel til fots, med båt, kano, kajakk mv. er forbudt mellom 15. april og 30. juni i reservatet.

All traffic (by foot, boat, bike etc) is prohibited within the reserve between 15th April and 30th June.

Fiske er forbudt mellom 15. mars og 30. juni i reservatet. For unntak se forskriften på lovdata.no

Fishing is prohibited within the reserve between 15th March and 30th June.

Takk for at du holder hunden i bånd!

Please always keep your dog on a lead.

God tur! Enjoy your stay!
